Question 2 – Mangroves [20 points]

In a well-developed short essay, discuss the environmental importance of restoring mangrove forests in an area like Khao Lak, or any coastal area in Southeast or South Asia. Please provide specific examples, either from your observations in Part 1 or from outside knowledge about this area or other parts of the world and be sure in your essay to discuss the role of mangroves in hazard mitigation in this region.

Station 2 – Off the beaten path

Question 3 – Development [20 points]

Briefly describe what you saw in the area off the hotel property. What services were being offered? What types of restaurants did you see? What was the infrastructure like? Compare and contrast what you saw there with what you know about the hotel, including types of services offered and prices. Why do you think an area like this exists near this hotel?
